

### **Rendezvous 2019 Announcement**

The Louisiana Master Naturalist Association (LMNA) is pleased to announce the 4<sup>th</sup> Annual *Rendezvous*, a statewide meeting of the seven master naturalist chapters in Louisiana, including Acadiana (Lafayette), Central Louisiana (Alexandria), Greater Baton Rouge, Greater New Orleans, Northeast Louisiana (Monroe), Northwest Louisiana (Shreveport/Bossier) and Southwest Louisiana (Lake Charles). More information about LMNA and our chapters can be found at our website: [LMNA](#)

**WHAT:** *Rendezvous 2019* will include presentations on a variety of natural history subjects, guided naturalist hikes, volunteer opportunities, silent auction, swap table, nature identification table, naturalist library, book sales, and time to befriend other master naturalists. Our Keynote Speaker is Zack Lemann, Curator of Animal Programs at Audubon Butterfly Garden and Insectarium in New Orleans. Lemann's presentation to the LMNA has a working title of "The Importance of Conserving Insects."<sup>1</sup> Lemann is well known to the members of the Greater New Orleans chapter. He is a dynamic, engaging speaker who manages to entertain while sharing encyclopedic knowledge about insects, their environs, and their role in our ecosystem.

**WHEN:** *Rendezvous 2019* will take place from Friday afternoon, March 15, 2019 through Sunday, March 17, 2019 at noon. You may register for *Rendezvous 2019* beginning on January 23, 2019 by using the *Rendezvous 2019* Registration found here: [UPDATED LINK Rendezvous 2019 Online Registration](#)

**WHY:** *Rendezvous 2019* should be an exciting, fun, educational, and noteworthy event. *Rendezvous 2019* will include many hours of education, fun and fellowship. You can earn 8–10 Continuing Education Hours and many Volunteer Hours in a single weekend. You will also meet other master naturalists from all areas of the State of Louisiana. This is a great opportunity to make new friends while learning about the natural beauty of Louisiana.

**WHO:** The event is open to Certified Louisiana Master Naturalists, those who have completed or are enrolled in courses, and the board/leadership of developing chapters, as well as guests of master naturalists, if space permits. As the Louisiana Master Naturalist Association has seven chapters in various stages of development, we want to ensure that all chapters have the opportunity to be fairly represented at *Rendezvous 2019*. The Board has established three phases of registration to allow priority registration to master naturalists from all chapters while permitting guests to also attend *Rendezvous 2019*, if space permits. During Phase I, we will allocate spaces for each chapter and only members of that chapter may register for the allocated spaces. During Phase II, the remaining spaces will be open to members from any chapter. In Phase III, guests of naturalists may register for any remaining spaces. The registrations for guests will be processed as they are

We will attempt to accommodate reasonable requests, provided that it is indicated in your Registration and received at least ten (10) days in advance of the event. We are seeking to provide well-balanced, tasty and nutritious meals (with options for vegetarians) within the scope of our budget. A menu will be provided in the near future, so that you may supplement the catered meals, if desired.

**BYO: Bring Your Own Non-Disposable Plates and Utensils** We are making a conscious effort to minimize the waste during *Rendezvous 2019*. Accordingly, we ask that you bring non-disposable plates, utensils, and cups from home. We will have an area for you to wash your items after each meal. We will have some disposable plates and utensils for anyone who needs them, but as a naturalist organization, we should avoid single-use disposable items.

**HOW TO REGISTER:** If you would like to register for *Rendezvous 2019*, please fill out the [UPDATED LINK Rendezvous 2019 Online Registration](#) and pay the \$80 fee. Registration requires both a completed Registration and the payment of registration fees. By signing up for the LMNA Google Group, you will receive notice of items of general interest to naturalists. Don't worry, we will not inundate you with emails, as very few people will be able to send emails to the Group. You can opt out of Google Groups at any time. If you would like to join Google Groups, please click here to be added to the group: [LMNA Google Groups Subscription](#) This Group is limited to Certified Louisiana Master Naturalists, those who have completed or are enrolled in courses, and the board/leadership of developing chapters.
